

About Us

Mission Statement

To bring balance and harmony back to the human body.

Keys to our Success

- We only partner with pioneers in their field - We closely listen to our customers - We make being healthy affordable - We are the only patch seller that uses an FDA approved adhesive material - No Drug, No Chemical Patch alternative therapy - 30 years of research and success - Biological Engineering produced the patch - Manufactured in the USA to the highest compliance standards. **Description of our business What we do:** We help our customers feel better

Why we are unique: Our Bio Frequency Patches use no chemicals, have no known side effects, Does not interfere with any other products current being used.

Why we are special: We are the only company to date that provides help using Frequency and FDA approved patches to balance the body

How are we competitive?

How are we attractive to potential customers

Our Primary Goals

National Remedies provides new hope for people suffering with conditions of weight control, anti-aging, energy & mood, healing & detox and pain relief. Is it possible to cure or recover from FIBROMYALGIA? Can you go out and party like a rock star and come home, wake up the next morning and feel nothing? National Remedies has been answering these questions and more by providing healing solutions to our customers. We are passionate about your health and always go the extra mile to find a solution.
