

Methadone Withdrawal Patch - Outpatient Treatment

The Methadone withdrawal patch provide relief within 15 minutes and up to 72 hours. Depending on the Methadone withdrawal symptoms you can apply more than one patch to the upper left hand shoulder. The upper left hand shoulder has a better connection to your central nervous system. Methadone Withdrawal Patch has no drugs and no chemicals so you are 100% safe from any reactions to any current drugs or chemicals in your body.

Apply the Methadone withdrawal patch if you are experiencing any of these symptoms:

- Runny nose.
- Lack of appetite.
- Diarrhea and cramping.
- Watery eyes.
- Irritability and anxiety.
- Dilated pupils.
- Nausea and vomiting.
- Shaking.
