

Suboxone Withdrawal Patch - Outpatient Treatment

The Suboxone withdrawal patch provide relief within 15 minutes and up to 72 hours. Depending on the Suboxone withdrawal symptoms you can apply more than one patch to the upper left hand shoulder. The upper left hand shoulder has a better connection to your central nervous system. Suboxone Withdrawal Patch has no drugs and no chemicals so you are 100% safe from any reactions to any current drugs or chemicals in your body.

Apply the Suboxone withdrawal patch if you are experiencing any of these symptoms:

- Nausea and vomiting.
- Muscle/body aches.
- Insomnia or drowsiness.
- Indigestion.
- Anxiety, depression, and irritability.
